OUR ROOTS

Founded under the inspiration of

Sri Nara Chandrababu Naidu Garu

visionary speeches. We are proud to answer his call to establish next-generation industries in the capital region of Amaravati, The definitive spark for our venture evolved during a strategic workshop conducted by the MSME, where his vision aligned with our core business idea.

LEADERSHIP BEHIND INNOVATION

Kurra Anil
Director

Rajendra Prasad Somala
Director

Sai Satish Gandaboina
Director

Our leadership team is driven by a shared vision of innovation, technology advancement, and skill development.

With expertise across technology, business operations, training, and strategic growth, the Directors of C2C Tech Solutions Pvt Ltd are committed to building a future-ready organization focused on Artificial Intelligence, Quantum Valley initiatives, product innovation, and industry-driven solutions.

OUR MOTIVE

THINK BIG!

C2C Tech Solutions was born from a shared vision among a group of seasoned industry veterans. Having spent decades navigating the complexities of global corporate giants, we realized that the bridge between potential and performance was often missing. We decided to trade our corporate cabins for a startup mission: to build a 360-degree ecosystem that nurtures talent, develops cutting-edge products, and scales businesses.

At our core, we believe in the power of C2C a philosophy that guides every branch of our expertise:

IT Training - Classroom to Corporate (C2C)

IT Development - Concept to Creation (C2C)

Digital Marketing - Clients to Conversions (C2C)

IT Staffing - Candidate to Career (C2C)

OUR INITIATIVES

Career
(C2C)**

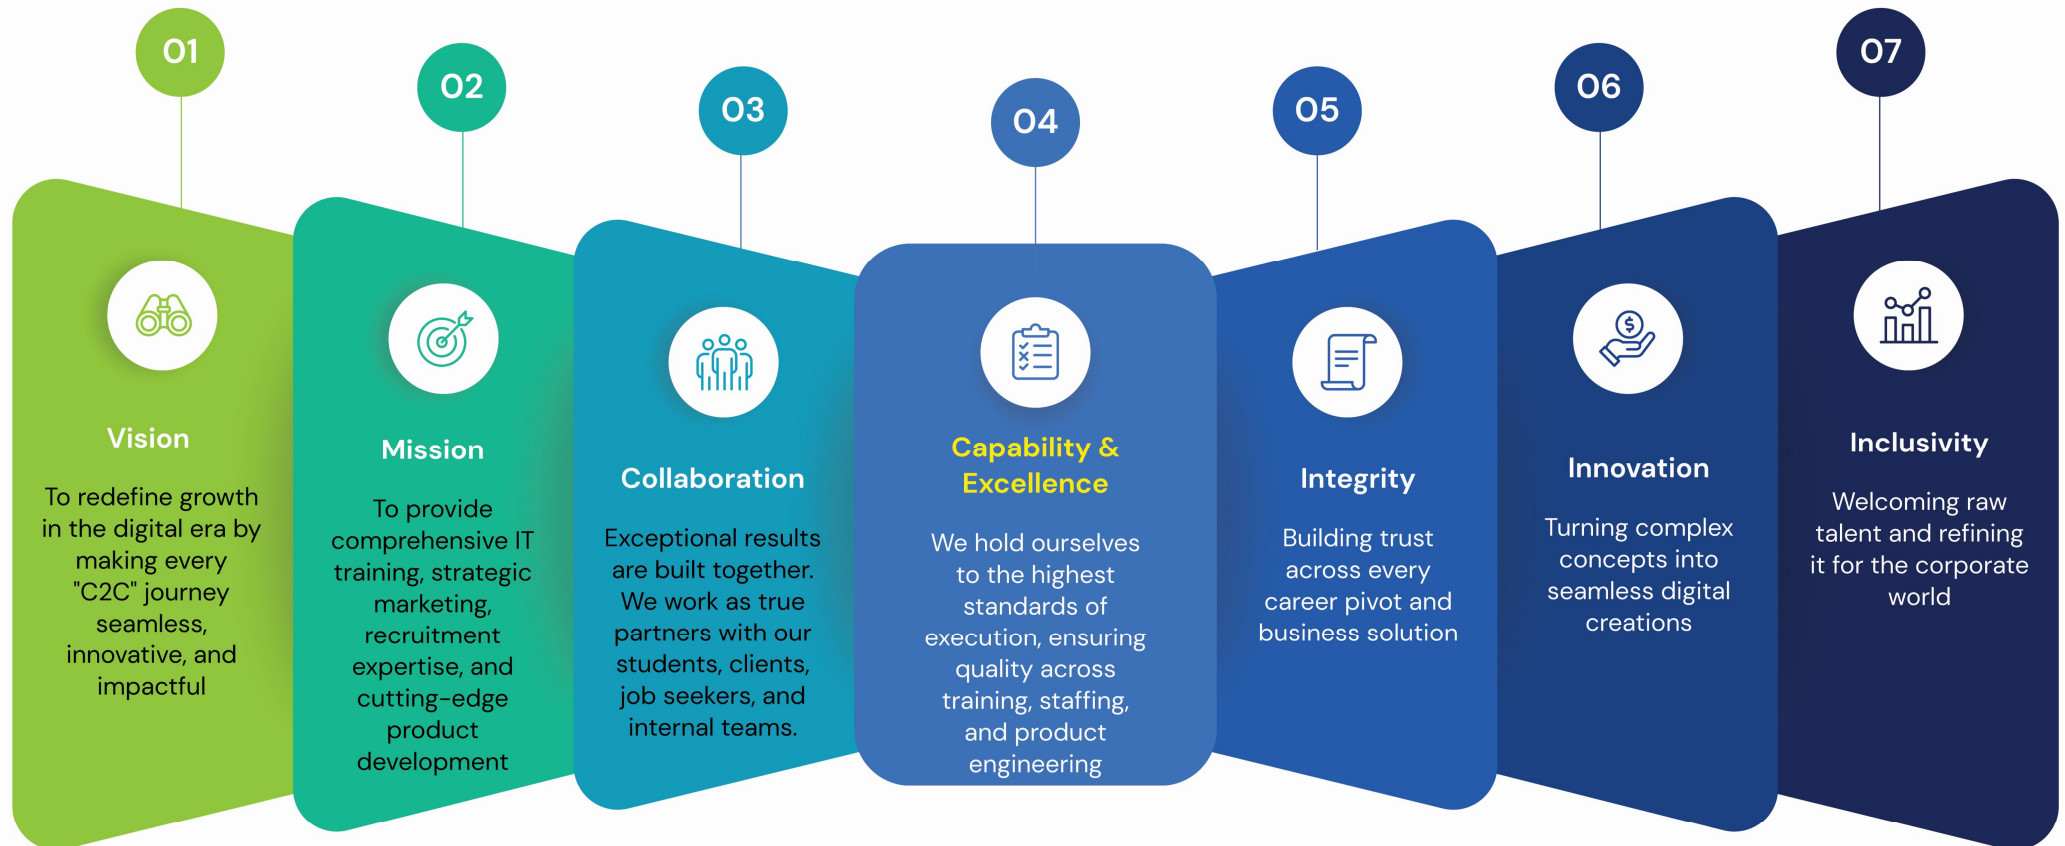

**IT Product
Development**

**Concept to
Creation
(C2C)**

OUR CORE VALUES

The core components that build a strong plan for success

PRODUCT DEVELOPMENT INITIATIVES

AI BASED LMS PORTAL

meets innovation through our AI-Based LMS. to make complex subjects like Quantum g and AI highly accessible, our platform offers personalized skill-gap analysis, 24/7 AI tutoring support, and adaptive learning modules. We don't just deliver courses; we provide an intelligent ecosystem that guarantees career readiness

AI BASED ASSESSMENT PORTAL

To guarantee top-tier human resources for the digital era, we deploy a cutting-edge, AI-Based Assessment Portal. By leveraging intelligent proctoring, automated code evaluation, and deep behavioral analytics, our portal rigorously tests technical proficiency in AI, Quantum Computing, and digital skills. We remove hiring guesswork, delivering verified, corporate-ready talent with pinpoint accuracy

THE BLUEPRINT

IT Training Service

Over the next 2 years, our mission is to **upscale 50,000 students in Artificial Intelligence, Quantum Computing, and next-generation technologies**. By aligning our curriculum with the upcoming **Amaravati Quantum Valley**, we aim to build a world-class, industry-ready talent pool right here. Our ultimate goal is to establish Andhra Pradesh's capital city as the definitive human resource hub for advanced technological innovation

COMPREHENSIVE TRAINING THAT TAKES YOU FROM FUNDAMENTAL CONCEPTS TO CORPORATE EXECUTION
